a closer
look at
**Grinder BT
Speaker**
and **Stone
Power Bank.**

STONE DESIGN GIFTS

The unique "stone" touch design feels almost like a real stone. The design perfectly matched with nature making those gadgets great to take with you when you are travelling. It doesn't matter if you are in the middle of the forest or just simply enjoying your time on the beach because they will be the perfect companions to have with you.

Stone touch design

GRINDER BT SPEAKER— ENJOY YOUR TUNES

Grinder Bluetooth Speaker is just a perfect speaker to have with you while you are on the beach to accompany you with your favorite music. Its technological specs of **double emitter**, **additional membrane** and **acoustic impedance panel** is what makes it stand out with a clear and bright sound and no additional noises added to spoil your favorite songs. Grinder Bluetooth Speaker was made for true music lovers to immerse them into their music world and its design to attract attention and look trendy.

4 hours **PLAY** | **400** mAh battery | **STONE** design

STONE POWER BANK

Stone Power Bank is just a perfect companion for your gadgets that will for sure supply them with a true boost of charge to make sure they are up and running while you are so busy travelling around or simply on the go between business meetings. Its pebble design and shape will underline the uniqueness of the power bank and make it a memorable present.

Available in **2600 mAh** and **5200 mAh**.
