## "What is MODIS?"

Once installed in furniture, The MODIS virtually disappears, by virtue of its design characteristics.

The unique mechanism folds flat into the table and the rear of the panel may be veneered with the matching surface material also.

Glass, Corian, Leather – the choice is yours.

Control is a single press open / close or may be integrated with a Media Control System & be managed remotely via TCP/IP on the integrated Ethernet port.

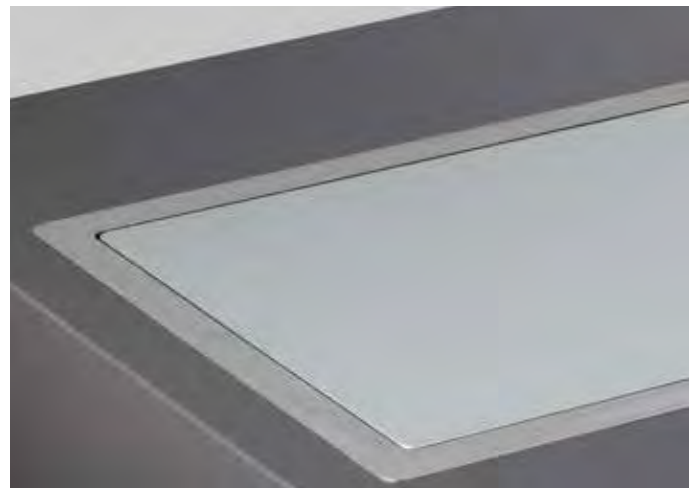

A design first & fully customisable.  
Often Copied - Never Equalled.

MADE IN GERMANY.

More than 15 years know-how in monitor-design.  
Warranty 5 years mechanics, 2 years electric and electronic,  
10 years spare part availability.

Sleek. Silent. Svelte. Handcrafted & tested to ensure the highest standards.

Reliable partner with solid repeat business across diverse client fields. Global references and project experiences.
